- 2) Private Litigation – In Courts

- Standard – *Deliberate Indifference*
 - Plaintiff must prove officials had actual knowledge AND harassment was so severe, pervasive & objectively offensive that it barred the victim from access to their education
 - Can be avoided by “merely responding to harassment in a manner that is not unreasonable”

Definitions: Sexual Harassment

1. A school employee conditioning an educational benefit or service upon a person's participation in unwelcome sexual conduct (often called quid pro quo harassment);
OR
2. Unwelcome conduct on the basis of sex that is so severe, pervasive and objectively offensive that it effectively denies a person equal access to the school's education program or activity (often called hostile work/educational environment harassment);
OR

- **Dating Violence:** Violence by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship is determined by:
 - The length of the relationship.
 - The type of relationship.
 - The frequency of interaction between the persons involved in the relationship
- **Domestic Violence:** Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner, a parent of a shared child, a former or current cohabitor as a spouse or intimate partner, or someone similarly situated to a spouse under domestic or family violence laws. . . , or by any other person against a victim who is protected under the domestic or family violence laws[.]
- **Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to—a) fear for his or her safety or the safety of others; or b) suffer substantial emotional distress.
- **Sexual assault:** An offense classified as a forcible or nonforcible sex offense by the FBI's uniform crime reporting system:
 - Rape,
 - Fondling,
 - Incest, or
 - Statutory rape

Scope of “Educational Program or Activity”

- Conduct must occur in “educational program or activity”
 - Does not mean geography – no on/off-campus bright line rule
 - Includes “locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the harassment occurs”
- Conduct must be against a person “in the United States”
 - Does not apply to study abroad
- New:
 - Includes “*any building owned or controlled by a student organization that is officially recognized by a postsecondary institution*”
 - Implication: Greek life and “Theme” houses

Scope– Mandatory Dismissal

- No Title IX jurisdiction?
 - Must “dismiss” the complaint
 - Clarification in Final Rule: Dismissal means dismissed from the Title IX process; the school can still apply another conduct code or offer supportive measures
- Practical Difficulty – Knowing if a complaint implicates Title IX jurisdiction at various stages of the process

Scope– Permissive Dismissal

- 1) New final rule allows schools to dismiss a complaint (with prompt and simultaneous written notice to the parties) if at any time:
 - 1) A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations;
 - 2) The respondent is no longer enrolled or employed by the recipient; or
 - 3) “Specific circumstances prevent the recipient from gathering evidence sufficient to reach a determination as to the formal complaint or allegations.”

TOPIC #2: Implementing the New Title IX Regulations

Major Compliance Areas

- 1) **Policy and Procedures Review and Update**
 - Incorporate new language on jurisdiction and sexual harassment and retaliation definitions
 - Incorporate investigation and hearing/cross-examination procedures
 - Think about: who is going to be our Title IX Coordinator, Investigator(s), Decision-Maker(s) and appeal authorities?
 - Internal or External
 - Revise existing notices and policies, or create “one-stop” policy and procedures for all constituencies – students, faculty/teachers, and staff
 - Review collective bargaining agreements
- 2) **Record-keeping and Retention**
 - Final Regulations require the following to be maintained for SEVEN years:
 - 1) Each sexual harassment investigation, including determinations, audio or visual recordings, disciplinary sanctions, and any remedies provided to the complainant;
 - 2) Any appeal and the result therefrom;

3) Informal resolution, if any; and

4) *All materials used to train Coordinators, Investigators, those who facilitate informal resolution, and decision-makers with regard to sexual harassment.*

- Final Rules require the following records to be created and kept for SEVEN years:
- Any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.
- Document the basis for the conclusion that your response was not deliberately indifferent, and
- Document that you have taken measures designed to restore or preserve access to the recipient's educational program or activity.
- If no supportive measures are given to the complainant, document why it was not clearly unreasonable

3) **Training**

- Schools must require training for anyone designed as a Title IX Coordinator, Investigator, Decision-Maker, or any other person designated to facilitate an informal resolution on designated topics
- Training materials:
 - Must not rely on sex stereotypes
 - Must promote impartial investigations and adjudications of formal complaints
