

BOARD POLICY

WESTERN IOWA TECH COMMUNITY COLLEGE

Series Number 403.1

Title Licensed Nonadministrative Instructional Personnel

Definition

The term "licensed nonadministrative instructional personnel" shall include those nonadministrative employees who are required to possess an appropriate license from the Iowa Board of Educational Examiners for their position, as required by the Iowa Board of Education.

Persons required to be licensed must present evidence of a current license to the Board Secretary prior to payment of any part of the employee's salary each year.
